Team Building with Taste started in 2012 and is the brainchild of The Food Movement, an Atlanta-based culinary event company. Founders Paul McKeon and Jack Gerblick are serial entrepreneurs who have combined their love of food with successful business processes and leadership skills. Team Building with Taste has emerged as one of the most popular and effective culinary team building programs in Atlanta and Dallas, with national expansion plans in the works. In addition to its success with company team-building, Team Building with Taste's programs are popular as girls night out, family reunions and charity fundraisers.
