

**Adriene Kinnaird
Executive Director,
Oncology and Sickle Cell**

Adriene Kinnaird is the Executive Director for Oncology and Sickle Cell at Grady Memorial Hospital where she is responsible for operations of the Georgia Cancer Center of Excellence and the Comprehensive Sickle Cell Center.

Her responsibilities include program development, technology integration, project management, strategic planning, budget planning and physician relations.

Ms. Kinnaird joined Grady Memorial Hospital in 2009 and served as the Director for Oncology until 2010 when she was named Executive Director of Oncology, Cardiac Services and Sickle Cell.

Prior to joining the Grady Memorial Hospital staff, Ms. Kinnaird was Administrative Director of Operations for Tenet Healthcare Corporations Cancer Center at Atlanta Medical Center where she managed the daily operations of Mammography, Radiation Oncology, Infusion, the ACS Hope Lodge Connection, and Tranquility Salon and Spa.

Ms. Kinnaird holds a Master's degree in Business Administration.
